Action Taken Report 2022-23

- **Student Activities:** Organized various student-centric activities such as seminars, workshops, and guest lectures by industry experts to enhance learning experiences beyond the classroom.
- **Faculty Participation:** Faculty members were encouraged and supported to undertake research projects. This included providing necessary resources and time allocation for research work.
- **Student Involvement:** Increased student participation in research through projects, internships, and collaboration with faculty on various research initiatives. Opportunities for presenting their research at conferences and publishing in journals were facilitated.
- **Collaborations:** Efforts were made to establish collaborations with other educational institutions and industry partners to enhance the research scope and provide additional resources and funding.
- **Counseling Services:** Expanded counseling services to address the academic, career, and personal needs of students. Trained counselors were made available for regular and emergency sessions.
- **Placement Services:** Strengthened the placement cell by building robust relationships with industry partners. Organized campus recruitment drives, career fairs, and skill development workshops to improve employability.
- **Extracurricular Activities:** Broadened the range of extracurricular activities, including sports, cultural events, and clubs. This was aimed at fostering holistic development and enhancing the college experience for students.
- **Self-Study Report (SSR):** Preparation and submission of the Self-Study Report were undertaken with meticulous attention to detail, ensuring all criteria were comprehensively addressed.
- **Documentation:** Systematic documentation of all academic and administrative processes was done to meet NAAC requirements.
- **Quality Initiatives:** Various quality initiatives were implemented to improve institutional performance, including regular internal audits and feedback mechanisms from stakeholders.
- **Workshops and Training:** Conducted workshops and training sessions for faculty and administrative staff on the importance of quality assurance and the specifics of the NAAC accreditation process.
